What will your DAUGHTER do today?

It seems like a simple question. But think about it.

Every day of her life begins FILLED with possibilities! What will she do with it?

Will she hang out at the mall? Spend hours texting her friends?

Or will she discover new things about herself? Things she didn't know she could do?

Will she make her life better? Will she make the world better?

Or will the day just come and go?

Encourage her to apply for an incredible opportunity. Challenge her fears...and win!

Camp CEO is beyond your ordinary Career Workshop!

Complete an Amazing Race

Choose from favorite camp activities such as—

Paddle a Canoe

Pull a Bow and Shoot an Arrow

Take a Ride on the Big Swing

Dream your future, hear the stories of amazing women and start to write your own!

Girl Scouts of Greater Atlanta is excited to announce a new, exciting program – **Camp CEO** where our goal is to bring together teen Girl Scouts and executive women leaders to create an environment for girls to discover what it takes to become a Chief Executive Officer.

We will invite interesting, fun and accomplished business women to participate in **Camp CEO**.

Girl participants in **Camp CEO** can expect to hear business women share their personal and professional story.

Over the course of **Camp CEO**, programs will be built around the themes of team building, personal well-being, professional skills, projecting a positive image, personal financial savvy and career planning.

Space is limited. Submit your application NOW!

So at the end of the day...think about it! What did your daughter do today?

Encourage her to apply now to be a part of something amazing!
